PAKES THE HANDICAP FROM SOMBRERO BY A HEAD.

New Track Records Made by Ada Nay, Runnels and Ordnung-Stamping Ground Beats Maxnie-Port Royal Wins - Two Favorites Successful.

SARATOGA, Aug. 11 -In spite of rain that three new records for the course were es-tablished. Form was off color, however, as only two favorites finished in front. There were no stake events to be decided, but there was much high-class sport and a good attendance. The feature was the handleap for all ages at a mile and a quarter. Six horses ran and the talent was evidently in a quandary as to the probable winner. R. Wilson Jr's Carbuncle opened favorite at to 1, with Green Morris's Sombrero and Daly's Himself at threes. Advance Guard, with top weight, and The Rival both showed 4 to 1. Then there was a plunge on Advance Guard, who was backed down to 13 to 5 favorite, while the others mentioned above receded a point each. Bessie McCarthy was a 50 to 1 shot. Starter Pettingill, who acted in the absence of C. J. Pitzgerald, sent them away in excellent order. Rival and Carbuncle ran as a team out in front, with Himself following. This was the order to the half-mile mark, where Daly's

colt stopped. At the three-quarter Sombrero had come up with the two leaders, his running being a surprising reversal of Sombrero had the lead at the mile where Odom began to get Advance Guard under full headway. It was at the last sixteenth that the Great Tom horse nailed sombrero and in a hot drive beat him a head on the post in 2.07 4-5. The Rival was two Before the races John E. Madden bought

the colt Alsono from Burns & Waterhouse for about \$10,000. Then he started him in the first race, for two-year-olds at five and a half furlongs, Alsono being the favorite at 3 to 5. J. B. Haggin's Ada Nay, 8 to 1, led all the way. Auriesville raced with her for a quarter of a mile and then gave way to Lady Albercraft, who hung on until they reached the top of the stretch, where Mr. Haggin's filly drew away and won easily by three lengths. She covered the distance in 106 which, was a new track record, the best previous being 130615.
Alsono hung back in the early stages and then came swiftly in the last quarter, but Redfern could not land him better than second, Julius Fleischmann's Intervention, 12 to 1, Lady Albercraft and Virgin Soil, following heads apart as named.

John A. Drake and his immediate friends

allowed his three-year-old colt Runnels, to win the third race, at a mile, unbacked. The field was reduced to four starters, with H. T.

win the third race, at a mile, unbacked. The field was reduced to four starters, with H. T. Oxnard's Lux Casta a 1 to 2 favorite. Drake permitted Runnels to recede to 5 to 1, but the colt after running Huntressa into the ground at the three-quarters pole, stailed off Lux Casta's rush in the stretch and beat her a neck in a whipping finish. Incidentally Runnells made a new track record for the distance, his time being 133 1-5. Huntressa lasted long enough to beat Flying Buttress by a head.

The largest field of the day went to the post in the second race, a selling affair at seven furlongs. John W. Schorr's Ordnung, the favorite, took the track as soon as the barrier went up and was never headed. He won easily by two lengths in 125 3-5. Another track record. Senator McCarren's Bluff, second choice, passed Kilogram in the stretch and beat him a length for the place. Sedition was tangled up in the barrier and was left. The handicap for two-year-olds at six furlongs attracted another large field and afforded much lively speculation. Burns & Waterhouse's Maxnic was favorite, with big money placed on Stamping Ground, 6 to 2. Bensonhurst, 9 to 2; Wild Thyme, 5 to 1, and Capt. Arnold, 6 to 1. Bensonhurst made the pace until straightened out for home, where Shaw came along with Stamping Ground, who won in a sharp drive by half allength in 1:142-5. Maxnic beat Capt. Arnold by a length, the latter being in a pocket until the last sixteenth.

J. R. & F. P. Keene's Port Royal, neatly teenth.
J. R. & F. P. Keene's Port Royal, neatly lidden by Waugh, took the last race, at a mile, from L. Waterbury's Swiftmas by five lengths. The latter was an odds-on favorite. The time was 1:41 2-5.

SARATOGA, Aug. 11.—That polo is increasing in popularity among Saratoga's summer visitors was demonstrated at the Saratoga Polo Club's grounds this afternoon. The annual tournament was continued by a rattling contest between the Bryn Mawrs of Philadelphia and the Country Club of Westchester for the honors of the Baliston cups, in which the Bryn Mawrs won by the score of in which the Bryn Mawrs won by the score of 145 to 135. The Bryn Mawrs included C. R. Snowden, G. I. Kendrick, Jr., M. S. Rosengarten, Jr., and Charles Wheeler, and the Country Club of Westehester embraced E. S. Reynni, J. C. Cooley, Jr., J. I. Blair and H. C. Brokaw. It was the third handicap event for the cups. The Bryn Mawrs won on the second event on Saturday, and consequently were to-day called upon to defend against the Westchesters. The fourth or final event for these trophies will take place on Thursday afternoon, when the Bryn Mawrs, the winners of to-day, will meet the Meadow Brooks. Five periods, including nineteen goals, were necessary to reach a decision. The game stood 13½ to 13½ at the close of the fourth period.

NARRAGANSETT, Aug. 11 .- On the field of the Point Judith Country Club the annual polo tournament was opened here to-day pefore a large assembly of society, including George Gould and family, who came over on the yacht Taurus from Newport. The match was for the Narragensett cup and the rival teams the Westchesters of and the rival teams the Westchesters of New York and the Devons of Philadelphia. The game was won by the Devons by a score of 13 to 1½. Poor team work charac-terized the playing on both sides, though the Devons made a better showing in this respect than the Westchesters. A. G. Van-derbilt made some clever individual drives across the field and Victor Mather's playing as No. 1 for the Devons was excellent. The line-sup:

RYTHMIC'S BONNER MEMORIAL

BLIND TROTTER WINS \$10,000 STAKE AT BRIGHTON.

Harness Meeting Opens at Seaside Track With First-Class Sport -Fannie Dillard Distances Dan R. in 2:06 Pace After Smart Racing Novelty Events.

he auspices of the New York Trotting Association at the Brighton Beach racetrack opened successfully yesterday in spite of Sunday's hard showers. It was a fairly fast track when the first field was called, showing recuperative qualities superior to any of the faster Western The Brighton Beach System again appealed to racegoers and the drivers alike.

Rythmic, the blind wonder, attracted marked attention as Hudson drove him to a highwheel cart several slow miles. He is not a large horse and does not impress one as at all awkward despite total blindness. Hudson uses a set of "prongs" on his sulky, to prevent it from running under should the forse rear or plunge. The track was fairly alive with Grand Circuit winners at their pre-

Promptly at 2 o'clock Starter Walker called the novelty pace for 2:15 horses, and strange say, they got away the first score, the big crowd of 5,000 settling back to see how these new fangled races would be accepted, also how the drivers would manœurve. Dick McMahon cut loose with Josh, the polehorse, and led the lot by a dozen lengths at the half in 1:02'5. "What is that crazy Indian trying to do? Kill his horse, I'd think." said a veteran racegoer as men usually try to rate them so as to go the full mile. On the stretch Snow brought up Pauline G. with a rush, collaring Josh near the wire. Josh promptly made a standstill break and was seventh when he reached the wire. The heat was paced in but 2:11% and Pauline G., inder the conditions, retired from the race. Last season the first heat was paced in 2:10 by Harold H. Alice Mapes, the Brooklyn mare, was second to Pauline G., and the Speedway favorite, Mercury Wilkes, was a good third-Of the eight starters five wore the hopples The winner was not touched in either the

the favorite drew third place, Leola having the pole and Dan T. the second choice, second to the Cleveland mare. Major Delmar drew eleventh position. He carried a lot of money as it was expected he would carry the Ken-tucky stallion a fast set of heats. Just before the start it was Rythmic, \$50, field, \$40. Early in the day Rythmic sold for \$100, Dan

scored, drawing eleventh place. Dan T. brushed out in the lead and led at the half in Major Delmar was close up, and on 6 11:33. Major Delmar was close up, and on the upper turn McDonald assumed the lead. Hudson came with the favorite at the drawgate, however, and seeing Major Delmar was beaten, McDonald saved him all he could. Rythmie won by over a length with ease in 2:09½, lowering his record from 2:09½, made at Buffalo, and incidentally cut the blind trotter's record—Cheyenne's 2:00½—a fraction of a second.

There was no betting thereafter to mention, Rythmic selling at \$50 the lot \$20, with few willing to invest. The stallion never was in trouble throughout, leading Lady Thisbe half a length at the end in 2:00½, the latter under the hardest drive Ben Kenney could put up. The time was 2:00½ and the winner had speed in reserve as Hudson was glancing back. Wilker selling at evens in the books.

carl Wilkes, selling at evens in the books, romped away with the second heat of the noveity pace in 2003, a new record for him. Last season he lapped out Direct Hai in a 2.004, workout at Memphis Schley Pointer was 5 to 1 for the place, and the Clevelanders had a ton of money on him. Alice Mapes was up fourth and made a grand showing.

The novelty pace was soon ended, Schley Pointer making a break in the third heat near the wire and giving way to Prince Direct, who lowered his last season's record to 2:124, winning easily. It is his first winning heat of the year. His price was 2 to 1 just before they got away. Schley Pointer was at 4 to 5 and had a stiff play, as his second heat had color and showed him to be a 2:08 pacer. Shyder was trailing with Alice Mapes, and when Pointer broke could not get her through. Otherwise she had a chance. Alice Mapes won fourth money.

The race was not exactly a success, and yet each heat was productive of a royal homestretch drive. It puzzled those holding score cards, as they did not understand which horse to put at the top. As it went to the matest heat winner, Carl Wilkes goes to the top, Fauline C. second money, Prince Direct third and Alice Mapes bringing up fourth place.

Rythmic closed out the big stake, but on

which horse to put at the top. As it went to the issues; heat winner, Carl Wilkes goes to the top, I suine G, second money, Prince Direct third and Alice Mapes bringing up force and the stretch Hudson has it with him out, as he was tirling, having had two faster heats than he has as yet had to trot. M. G. A. Handleap List to Be Out on Time Western Notes.

Adrian H. Larkin, chairman of the M. G. Handicap Committee, said yesterday t the midsummer revision of the general handicap list would be out on time on Friday evening. He does not expect that the num-ber of players to be listed will greatly exceed the April handicap, when 1,000 were rated from scratch to seventeen. Mr. Larkin would not give out any of the ratings, but he said that there would not be any very

The younger set of players, like F. O. Reinwill probably find that their improvement view of his good showing at Shinnecock Hills, will undoubtedly remain at scratch, but Findlay S. Douglas, on his play since be on the same rating. The present allowance of a stroke, indeed, might well be made two strokes. Conjectures, however, are useless when the full list is so nearly ready to be announced. A number of the clubs have not sent in revisions of the spring lists

R. H. Robertson, President of the U.S. G.A., denies the score of 70 credited to him at the Shinnecok Hills tournament, when he defeated Percy Jennings on Friday, for one reason, possibly, to stall off the rush of challenges from scratch players in all parts of the country. He writes from Southampton:

ampton:

Please correct the report I have seen in some of the papers that in the recent tournament I made a 76 round. This is an error, the result of bad arithmetic, the score being 84 as a matter of fact.

The cause of the error was that Mr Robertson jotted up the card without his glasses on and skipped a hole. The first half of a novel home-and-home team match will be played at Shinnecock Hills on Saturday with the Maidstone Golf Club of East Hampton. The teams will be eight a side, each to be made up of four players over 35 years of age and four junior players.

Both the Egans were in great form on Sat-urday. At the Exmoor links H. Chandler Egan led the field for the President's cup qualifying round with 7s, two stroke sunder the amateur and a stroke better than the professional record held by Alexander Taylor. His card was:

NEW YORKS AND CHICAGOS IN ELEVEN-INNING TIE.

Brooklyns Shut Out the St. Louis Team, Darkness Ending the Contest in the Eighth Inning Rain Prevents the Other Two National League Games.

Only two National League games were played yesterday. The New Yorks and Chi-cagos played an eleven-inning tie, and the Brooklyns saut out St. Louis in an eight-inning game. Rain prevented the other games. New York, 3: Chicago, 3 (eleven innings)

> Brooklyn, 3: St. Louis, 0. At Philadelphia Rain. THE EECGED.

The eleventh was uneventful. It was too dark then to connect with the ball squarely.

The Chicagos bunched three singles and two doubles in the third inning and would have made more than three runs but for a foolish dash for third by Chance on a throw in. McGraw's single, Lowe's fumble and McGann's single gave the locals a count in the first. Successive singles by Browne, McGraw and Bresnahan sent in a run in the third and then the Chicagos cut them down with a double play. There was lots of spry work by both sides considering the heavy going McGraw made a couple of kicks. One was on a decision at first. Later a ball was bunted and pleked up on foul ground by Schaefer. McGraw had the nerve to assert that it was a fair hit.

Brush has been a Day in 1890 for \$60,000. He is said to hold about \$25,000 worth of the stock. Brush's sudden interest in the affairs of the New York club has naturally created a great deal of talk. There was a well-defined rumor affoat yesterday to the effect that Brush intends to organize a syndicate here to buy Freedman's stock. The story was started some time ago by a man, close to Brush, who said to The Sun rejorter at the racetrack one day.

"Do not be at all sorrised if John Brush succeeds in buying Freedman out. He has been spending a great deal of his time here with the president of the New York Club, and is dead anxious to get control of the stock. Brush knows that a successfully conducted club, operating in the National.
